RE: California Proposition 65

Dear Customer,

Rockwell Automation is committed to demonstrating the highest standard of global environmental management. We embrace this as a core value and an integral part of all operations and seek continual improvement of our environmental management system and performance.

With respect to California Proposition 65, we have evaluated relevant products and added warnings where appropriate and required. Furthermore, we track amendments and new entries to the restricted list of chemicals and take necessary steps to ensure continued compliance with California Proposition 65 in a timely manner. We will continue to monitor this law as it is expanded and revised and will comply with any new requirements that apply to us.
