

# SHIPPING POLICY

When it's time to order in stock component items and simple assemblies.  
(i.e., contactors, pushbuttons, standard starters, etc. Not custom panels)

- 1) When necessary, write "RUSH" at the top of your order (orders not marked will be shipped as "Standard" where applicable).
- 2) Email your order to:

USA - [customerservice@sprecherschuh.com](mailto:customerservice@sprecherschuh.com)

CANADA - [customerservice-ca@sprecherschuh.com](mailto:customerservice-ca@sprecherschuh.com)

## Standard Stock Order

The economical choice for most orders

- Order will ship within 3 days after your order is processed.
- Please include requested release date and "ship when available" or "ship complete"
- Unlimited line items; \$200 net minimum order
- All orders of \$2500 net or more, sent to the same location, are shipped "best way" and freight allowed.
- Or you may choose your own carrier with a collect account (verify service availability)

## Rush Orders

When you must have the order tomorrow.

- Guaranteed same day shipping for orders received by 1PM Central time
- Maximum 3 line items per order
- No minimum order; no handling charge
- Freight is shipped UPS Next Day Air (not Fedex)
- You may use your own carrier with a collect account (verify service availability) or Prepaid and Billed

USA - UPS is our standard preferred carrier for parcel packages and Fedex Freight is preferred carrier for LTL shipments.

CANADA - Purolator is our standard preferred carrier for parcel packages and TST is preferred carrier for LTL shipments.
